383 Kenneth Hahn Hall of Administration

All Department/District Heads

At its meeting held November 22, 2005, the Board took the following action:

20-B

Supervisor Knabe made the following statement:

“The month of November is ‘National Family Caregiver Month’, which recognizes the commitment and compassion of the many family caregivers in Los Angeles County.

“Family Caregivers enable people in need to continue to obtain nurturing and enrichment in their lives at times they need it most by providing care and support to the elderly, chronically ill or disabled, or raising their grandchildren or other minor relatives.

“Last year, the Los Angeles County Department of Community and Senior Services provided approximately 133,602 hours of service to caregivers through 35 nonprofit contract providers.

“I encourage all County departments, residents, municipalities, businesses, and organizations to utilize these services as a resource for family caregivers of older adult or older adult relatives that care for minor children.”

Yvonne Michelle Autry and Warren Williams addressed the Board.

After discussion, on motion of Supervisor Knabe, seconded by Supervisor Burke, unanimously carried, the Board declared November 2005 as “National Family Caregiver Month” throughout Los Angeles County; and commended the nonprofit organizations, service providers, volunteers and staff for their hard work and participation in the program.
